RE: Certificates of Recognition

The Office of Public Instruction, School Nutrition Programs, would like to recognize all school food service staff with 20, 25 or 30 years of uninterrupted service to the profession. We would also like to recognize retiring staff that have 20 or more years of service in your school food service program.

The Montana School Food Services Association would like a listing of all food service staff with 25 or more years of service in Montana's schools. They will recognize these persons during the annual Montana School Food Services Association conference in June.

Please submit the names of food service staff meeting the above criteria so that they may be recognized for their dedication to the school nutrition programs. If you have questions, please contact School Nutrition Programs at (406) 444-2501.

Please complete the following and mail or fax this information by April 15, 2005, to School Nutrition Programs, PO Box 202501, Helena, MT 59620-2501. Our fax number is (406) 444-2955.
